Here is summary which should answer all questions Mr. Dworkin has.

A conference call with him may be in order to desribe difference in descriptions used.

Let me know when you would like to review.

I have to leave at 5:30 tonight.

Answers to each question are indendented and are noted with a bullet pont •.

1- total number of venues in which we moved or removed signage?

- 20 Venues

2- total number of signs moved or removed?
- 36

3- total number of venues NOT mentioned in original complaint or July 17th letter in which we moved or removed signage?
- 6 Venues

4- total number of venues mentioned in original complaint or July 17th letter in which we moved or removed signage?
- All of them or 15

5- total number of venues mentioned in original complaint or July 17th letter in which we moved or removed some, but not all, of the signage mentioned? As a follow up to this question, Doug needs a better understanding of which signs are which given the inconsistency between our descriptions and the fed's descriptions.
- 5 Venues & 11 Signs
- A Conference Call is in order to review inconsistency

6- for the signs moved, a summary of where the alternative signage was placed in each venue.
- Summary included in attached.
